***CENTRAL STREET BRIDGE OVER THE PEMIGEWASSET RIVER***

The New Hampshire Department of Transportation announces bridge deck repairs are scheduled to begin Monday, September 22, 2003 in Bristol on the Central Street Bridge over the Pemigewasset River.

This bridge repair work will make it necessary to close the bridge to traffic and pedestrians, except for emergency vehicles, for one week between 7:30 am and 3:30 pm each day

Warning signs, cones and flaggers will alert motorists to the bridge closure.
